

CAMBRIDGE SOCIETY SHEFFIELD

Young Alumni meet-up / Freshers' Event

(Thursday 12th September, 7pm, Sheffield Business School)

Missing Cambridge? Want to reminisce? Wondering what has changed in Cambridge?

The Society is running a "Young Alumni get-together" event, so that our younger members can meet up.

We are combining this event with a "Freshers' Event", so that the new students can find out a bit more about life at Cambridge from graduates with recent experience of the University.

The event is open to recent alumni (matriculated 2000 onwards) and upcoming new students.

The event is free and will run from 7:00pm to 8:30pm at the Sheffield Business School. Soft drinks and nibbles will be provided. Afterwards we will move on to the Red Lion, a couple of minutes walk away.

Please sign up here, to give us an idea of numbers: www.cambridgesocietysheffield.org.uk/signup2019.php5

Sheffield Business School is in the Stoddart Building, entrance on Arundel Gate, in the city centre - convenient if using bus, tram or train.

For arrival by car the most convenient parking is in the Science Park car park, which is behind the Student Union Hubs. Because of the one-way system, the best access is via Furnival Street then Arundel Lane. The car park is at the end (where it meets Charles Street) and is about three minutes' walk from the Business School. It is a pay and display car park and is in three sections - the first section may be full, but if you carry on through there are two additional sections where spaces are usually available. Note that street meters and council car parks are a flat £1 after 4.30pm.
